Eagle Scout

Troop 188, South Haven Michigan **2010 - Present**

- Performed over 150 hours of community service to help citizens and city beautification
- Organized and executed a personal community service project involving receiving donations from local businesses, finding volunteers, budgeting, and construction skills over an eight month period in 2020 to give back to my local community
- Still an active volunteer in the troop to recruit and train new Scouts

Leadership Experience

Global Surgery Student Alliance **September 2021 - Present**

Planning Committee Lead September 2022 - April 2023

- Planned a student-run national conference of over 500 attendees with world renowned doctors and speakers.
- Used budgeting skills, human resource management, and communications skills to ensure all members were completing tasks.

Director of Events April 2023 - Present

Blue Lake International Exchange Program **June 2019 - July 2019**

- Visited three European countries, staying with six host families to learn cultural traditions and understanding differences through music. Learned how to overcome language barriers,
- Gained international skills.

Work Experience

Michigan Medicine Patient Attendant **July 2023 - Present**

- Interact with in need patients and ensure patient safety through constant monitoring
- Learned hospital terminology and how to communicate with medical staff and understand hospital procedures

DeGrandchamp Farms **June 2018 - August 2022**

U-Pick Associate June 2018 - August 2018

Head U-Pick Manager June 2019 - August 2022

- Operated the most tourist-facing side of a multimillion dollar farm. Managed employees schedules and training.
- Gained expertise in agricultural practices involving blueberries to maximize customer satisfaction. Learned business practices to drive sales and gain customers in a niche market
- Interacted with owners and the CEO on a daily basis on how to best improve farm quality
