Electee Requirements - Fall 2015

Tau Beta Pi MI-G

The following is a list of the requirements to join Tau Beta Pi MI-G

I. Attend all of the required meetings.

If you cannot attend a meeting email the Vice President at tbp.vicepresident@umich.edu, look over a copy of the meeting's agenda at tbp.engin.umich.edu, and make up the meeting with one hour of service. All meetings, except for Elections, may also be made up with one social or professional development credit.

- i. First General on September 22 at 6:30pm in 1013 Dow
- ii. Second General on October 6 at 6:30pm in 1013 Dow
- iii. Third General on October 27 at 6:30pm in 1013 Dow
- iv. Fourth General on November 17 at 6:30pm in 1013 Dow
- v. Elections on December 1 at 6:30pm in 1013 Dow
- vi. Fifth General on December 8 at 6:30pm in 1013 Dow
- vii. Initiation on December 12 at 4:00pm in 1500 EECS
- viii. Banquet on December 12 at 5:30pm at Campus Inn

II. Complete 18 total hours of service projects.

These include the 5 hours that we recommend you to complete by Second Actives (October 13th) and the 10 hours that are required by Third Actives (November 10th). These hours include the 2 required hours of Career Fair, 3 required hours at an approved K-12 event, and 1 required hour of tutoring/flyering. The remaining 12 hours can be satisfied through any activities of your choice. You may do a maximum of 5 independent hours of service (hours not associated with Tau Beta Pi) provided you show adequate proof of your involvement, and that the hours do not count for another society. Signing up for a service project is a commitment to attend; you must un-sign up at least 24 hours in advance or you will have to complete an extra hour of service projects. Sign up for service projects at tbp.engin.umich.edu.

i. Volunteer for 2 hours at Career Fair.

Volunteer for at least two hours during Career Fair set-up and receptions on September 27th and 28th, or during the Career Fair on September 28th and 29th.

ii. Volunteer for one hour of TBP tutoring/flyering.

Our tutoring service pairs students interested in receiving tutoring (mainly for intro-level classes) with qualified TBP tutors. TBP tutors will meet with the student several times throughout the semester and receive service hour credit for the hours they have spent tutoring as verified by the student. If you do not feel like you can commit to tutoring a student for a whole semester, you may complete this requirement by helping to post flyers about TBP tutoring for an hour. Sign up for tutoring at tinyurl.com/TBPTutoring-F15. Sign up for flyering at tinyurl.com/TBPFlyering-F15.

iii. Participate in at least one approved K-12 Outreach event.

Each electee must participate in at least one approved K-12 Outreach event for a minimum of 3 hours as determined by the K-12 Outreach Officers. The two types of events that can count to fill this requirement are Cub Scouts Day or any of the MindSETs. Any leftover hours of MindSET or Cub Scout Day will count towards the minimum requirement for service hours. The MindSET sessions will be held on October 24th, November 7th, and November 21st. Cub Scouts Day will take place on November 15th. You must turn in an Ann Arbor Schools background check form and complete the Boy Scouts of America Youth Protection Training in order to interact with youth while volunteering at any of the K-12 approved events. The background check form should be turned in by **October 6th** at the latest. We will be offering

the Boy Scouts Youth Protection Training at the end of Second General. If you cannot attend Second General, you can complete it online and send your certificate from the online training to David Martel (damartel@umich.edu) by **October 6th**. See the "Forms for Working with Minors" page of the electee packet for further details.

III. Attend Part I and Part II of the Character Interview.

You will complete an Electee Interview Questionnaire regarding exemplary character and submit your answers, along with a copy of your resume, to the website by **Saturday, October 3rd at 11:59 pm**. The interview questionnaire can be found under Electee Resources on the website (tbp.engin.umich.edu). Your resume should be submitted to your website profile. You will then attend two interview shifts with current actives in the Duderstadt Connector Conference Rooms on October 5th, 6th, or 7th. You must sign up for a Part I and a Part II of the interview, which are connected events on the website. Each interview part should last about 25 minutes and starts no later than 5 minutes after start time (to allow for travel time from classes), which will require a total commitment of 1 hour. **Sign up for your interview on the website (tbp.engin.umich.edu).**

IV. Complete and submit the electee exam.

Hand in the electee exam, which tests your knowledge of the history of TBP and our chapter. We encourage you to work on it together! It is not meant to be stressful. Feel free to drop by office hours to ask officers for answers (up to three). Please don't ask for answers via e-mail — we want to get to know you! **Turn in the completed exam at the TBP Office (1226 EECS) or at meetings.**

V. Interview six fellow Tau Bates.

The interviews are to get to know your fellow members in Tau Beta Pi a little better. These interviews should be casual. At least two of the people interviewed must be active members. Think of 6 creative questions to ask members — no mundane questions will be accepted ("What is your favorite color?"). The questions may be typed, but answers must be hand-written by you, not your interviewee. To encourage personal interaction, interviews should be done in person, so no e-mail interviews. Please have your interview subject sign the sheet afterwards. **Turn in interview questions and answers at the TBP Office (1226 EECS) or at meetings.**

VI. Attend a total of at least two TBP social or professional development events.

Social events include IM sports, TG's, movie nights, game nights, intersociety events, etc. Professional development events include corporate information sessions. Sign up for social and professional development events at tbp.engin.umich.edu.

VII. Attend at least two Electee Team activities.

You must attend at least two Electee Team activities with at least half of your Electee Team present. You must make a team dessert and Yell for a competition during Fifth General (you will receive more information about this later).

VIII. Pay a one-time membership fee of \$90.

A one-time fee to be a member of Tau Beta Pi, which pays for electee supplies, the banquet, your bent, your certificate, your lifetime membership, etc. given to the Treasurer, Stephanie Miller. Checks should be made out to Tau Beta Pi. Cash is also accepted.

Character Evaluation - Fall 2015

Tau Beta Pi MI-G

Exemplary character is one of the requisites for membership in Tau Beta Pi. In addition to being active members of the engineering community, Tau Beta Pi members must meet the **highest standards of moral character**. Our chapter will assess your character through written essays and an interview.

Electee Interview Questionnaire:

The first component of the character assessment in Tau Beta Pi is the Electee Interview Questionnaire. You will be required to complete the questionnaire with a couple fun questions, four short answer questions, and one essay question. Please note that this questionnaire (and a copy of your résumé) are due by **Saturday, October 3rd** by submitting them through the website. The questionnaire can be found under Members → Electee Resources while your résumé should be submitted to your website profile. Submit your **essay and résumé** by **Saturday, October 3rd at 11:59 pm**.

Some of the short answer will provide you with the opportunity to share a part of your personality with us. Others will ask for your opinion on topics related to academic integrity. While not a direct question on character, any of these question will allow us to better understand you, your thinking, and grasp your personal character.

As an organization that stresses the importance of exemplary character in our electees and our active members, the essay is a **crucial** part of character assessment. This (one page) essay is a rather open-ended assignment, and we encourage you to get creative with your description. Nevertheless, exemplary character is not an arbitrary concept, and we are looking for specific evidence that you know what this important quality means. Tau Beta Pi members should meet the highest standard of moral character. The quotes on the following page may help inspire you on the subject of exemplary character, but don't limit yourself to those ideas.

The questionnaire can be found and completed under **Members** → **Electee Resources at tbp.engin.umich.edu**. Be ready to discuss your answers during your interviews.

Interviews:

The interview is the most important part of character assessment. Interviews will be held **October 5, 6, & 7** in the Duderstadt Center Connector Conference rooms. You must sign up for an interview pair. The interview will take place as 2 consecutive 25 minute parts, taking up a total time of one hour. Dress is business casual — you don't need to wear a suit, but don't show up in jeans. Electees can be denied membership on the basis of a negative interview, so take the process seriously. Interviewers will review the résumé and the answers to the Electee Interview Questionnaire you submitted by **Saturday, October 3rd**. Sign up for Part I and Part II of interviews on the website (tbp.engin.umich.edu).

Interview Dates: **October 5, 6, & 7**

Each interview is two parts, Part I and Part II.

Location: **Duderstadt Center Connector Conference Rooms**

Requirements: **Dress is business casual**

Sign up for Part I and Part II of interviews under "Events" at tbp.engin.umich.edu.

Submit your questionnaire answers under **Members** → **Electee Resources at tbp.engin.umich.edu** and your résumé to your website profile by Saturday, October 3rd.

The interview information will be re-addressed before Second General. However, if you have any questions or scheduling issues, please contact the Vice President (tbp.vicepresident@umich.edu).

“It is with trifles, and when he is off guard, that a man best reveals his character.”

– Arthur Schopenhauer, German philosopher (1788-1860)

“Weakness of attitude becomes weakness of character.”

– Albert Einstein, Swiss-American mathematician and physicist (1879-1955)

“Character cannot be developed in ease and quiet. Only through experience of trial and suffering can the soul be strengthened, vision cleared, ambition inspired, and success achieved.”

– Helen Keller, American author, activist and lecturer (1880-1968)

“When the character of a man is not clear to you, look at his friends.”

– Japanese Proverb

“The right way is not always the popular and easy way. Standing for right when it is unpopular is a true test of moral character.”

– Margaret Chase Smith, American Senator (1897-1995)

“The best index to a person’s character is (a) how he treats people who can’t do him any good, and (b) how he treats people who can’t fight back.”

– Abigail Van Buren, American columnist (1918-2013)

Forms for Working with Minors - Fall 2015

Tau Beta Pi MI-G

The University of Michigan, Ann Arbor Public Schools, and the Boy Scouts of America require anyone volunteering with children to complete background checks. This means that in order for anyone to volunteer and interact in any way with youth at TBP Events, he or she must complete a background check form. The form is attached to this sheet. Please fill out the form and turn it in to the Service Coordinator, David Martel (tbp.service@umich.edu) as soon as possible. You can also turn it in during Second General, at the TBP office (1226 EECS), or at your interview. **You must turn them in by October 6th in order to volunteer with youth at MindSET or Cub Scout Day.** If you are unable or unwilling to complete the form and submit to the background check, participation at K-12 events will be limited to roles that ensure non-interaction with youth.

The University of Michigan requires that all individuals volunteering with minors also complete training. To fulfill this training requirement, Tau Beta Pi is requiring members to complete Youth Protection Training, offered through the Boy Scouts of America. This training will be offered in-person at the end of the Second General meeting (register on the website), and can also be completed online. The online version takes around 24 minutes to complete and can be found at myscouting.org. You will need to create an account before proceeding to take the training online, and after completing online training, you must save your certificate as a PDF document and send it to the Service Coordinator (tbp.service@umich.edu). **Participation in the in-person training or the submission of your PDF certificate, proving that you have completed the online training, should be completed by October 6th.**

If you have any questions about the background check or training, or if you do not wish to complete the AAPS background check, please contact the Service Coordinator, David Martel (tbp.service@umich.edu).

To summarize, please have the following done by their respective due dates*:

1. Ann Arbor Public Schools background check due by **October 6th** at the latest to the TBP Service Coordinator or the TBP Office (1226 EECS).
2. Boys Scouts of America Youth Protection Training (YPT) in-person participation (with registration) or online training certificate due **October 6th** to the TBP Service Coordinator (tbp.service@umich.edu).

*If you miss any of these deadlines but wish to participate in events involving youth, you may contact the TBP Service Coordinator to check if there is enough time to complete the background check prior to the event.

Service Project Descriptions - Fall 2015

Tau Beta Pi MI-G

The following projects and descriptions are examples of some of the service projects that our chapter has carried out in the past. Because the actual list of service projects that will be done this semester will likely change over the course of the semester, we cannot provide you with a definitive calendar of service projects. However, this list should give you a good sense of the different types of service projects that we undertake. If you see an event you'd like to participate in that hasn't been scheduled, you may also take the lead on it yourself. If you are interested please contact David Martel (tbp.service@umich.edu); it is never too early to start getting involved in leadership. Note that the list below is only a taste of the service projects we have carried out.

Adopt-A-Highway: MDOT created Adopt-A-Highway in 1990 to improve the beauty of our highway road-sides with community help. With the help of 6-12 TBP members, we clean a stretch of Fuller Road near North Campus.

Arb Restoration: If you like the outdoors, this project is for you! We help to keep the Nichols Arboretum the beautiful place it is by clearing out dead trees, picking up litter, and performing assorted groundskeeping tasks. Previous projects have included maintenance and re-routing of the stream that runs through it, planting, and various other types of light outdoor work.

Book Swap: TBP organizes this COE-wide event to help students buy and sell used books. First, students can bring in their used books and set their asking price. Next, other students stop by to peruse our selection and purchase used books. Project leaders should ideally be in Ann Arbor a week or two before school starts to set this up.

Botanical Gardens: The University of Michigan has its very own Matthaei Botanical Gardens that houses exotic plants from around the world. Volunteer opportunities range from planting/maintaining the gardens to administrative work.

Cancer Center: The U-M Comprehensive Cancer Center provides its patients diagnostic, treatment, and support services in a collaborative environment. Past projects include putting together patient information packets for clinics and preparing Valentine bags of homemade cards and candy for patients.

Cub Scouts Day: Cub Scouts Engineering Day is a TBP-organized event for local Cub Scouts troops to receive their engineering badges. Activities include bridge building, egg drop, circuits, and floor plan. Volunteers are needed to help run these stations and to lead groups of Cub Scouts through the stations.

Diag Clean-up: Work with fellow TBP members to help clean the North or Central campus Diag and its surrounding areas.

Food Gatherers Soup Kitchen: Food Gatherers help prepare a warm meal, serve it, and clean up afterwards at the Delonis Center in Ann Arbor, which temporarily houses approximately 90 homeless people and serves regular meals to the community that have trouble making ends meet. This project directly benefits certain members of the Ann Arbor community that need food.

Food Gatherers Warehouse: Food Gatherers collects surplus food from businesses around the community to alleviate hunger. Volunteers are needed to help out at Food Gatherers' warehouse with activities including cleaning the warehouse and sorting and packaging food.
