Electee Requirements - Fall 2018

Tau Beta Pi MI-G

The following is a list of the requirements to join Tau Beta Pi MI-G

I. REQUIRED MEETINGS

If you cannot attend a meeting email, the Vice President at tbp.vicepresident@umich.edu, look over a copy of the meeting's agenda at tbp.engin.umich.edu, and make up the meeting with one hour of service, one social or professional development credit instead. Elections can only be made up with a service hour. All meetings (except Initiation/Banquet) will begin at 6:30pm. See Information Page for locations.

- i. First General - September 11
- ii. Second General - October 9
- iii. Third General - October 30
- iv. Fourth General - November 20
- v. Elections - November 27
- vi. Fifth General - December 4
- vii. Initiation & Banquet - December 8

II. 16 SERVICE HOURS

We recommend you complete at least 5 hours by Second Actives (October 23th) and you are required to complete 10 hours by Third Actives (November 6th). A portion of your 16 hours will come from the following mandatory events. You may do a maximum of 5 independent hours of service (hours not associated with Tau Beta Pi) provided you show adequate proof of your involvement, and that the hours do not count for another society.

Signing up for a service project is a commitment to attend; you must un-sign up at least 24 hours in advance or you will have to complete an extra hour of service projects.

i. Volunteer for one hour of TBP tutoring.

Our tutoring service pairs students interested in receiving tutoring (mainly for intro-level classes) with qualified TBP tutors. TBP tutors will meet with the student several times throughout the semester and receive service hour credit for the hours they have spent tutoring as verified by the student.

ii. Participate in at least one approved K-12 Outreach event.

Each electee must participate in at least one approved K-12 Outreach event for a minimum of 3 hours. Any hours over this requirement will count towards your remaining service hours. The following events can count to fill this requirement:

- i. **MindSETs:** October 21, October 28, and November 4
- ii. **Cub Scouts Day:** November 18
- iii. **Merit Badge Day:** TBD
- iv. **Shadow Day:** TBD

****In order to volunteer at any of the K-12 events, you must turn in a university background check form and complete the Boy Scouts of America Youth Protection Training at (myscouting.org). See the page titled "Forms for Working with Minors - Fall 2018" for details on the forms due **October 9th**.*

- iii. **Volunteer for two hours at TBP/SWE Career Fair** Each electee must volunteer at least 2 hours at the career fair. Career fair set-up and receptions are on September 16th and 17th, and Career Fair is September 17th and 18th.

III. 2 SOCIAL EVENTS

Social events include IM sports, TG's, movie nights, game nights, intersociety events, etc. One of these activities should be completed by Second Actives (October 23).

IV. 2 PROFESSIONAL DEVELOPMENT EVENTS

Professional development events include corporate information sessions, Sustainability Hour talks, or MLK Luncheons.

V. ELECTEE TEAM ACTIVITIES

You must attend at least two Electee Team activities with at least half of your Electee Team present. You must make a team dessert and yell for a competition during Fifth General (you will receive more information about this later).

VI. CHARACTER EVALUATION

You must complete an Electee Interview Questionnaire regarding exemplary character and submit your answers, along with a copy of your resume, to the website by **Saturday, September 25th at 11:59 pm**. The interview questionnaire can be found under Electee Resources on the website (tbp.engin.umich.edu). Your resume should be submitted to your website profile. Each interview should last about 25 minutes and starts no later than 5 minutes after start time, which will require a total commitment of 30 minutes. Interviews will take place in the Duderstadt conference rooms on date TBD. **Sign up for your interview on the website (tbp.engin.umich.edu).**

In addition to the interview, we highly recommend attending the Electee/Active mixer in the BBB atrium on **Thursday, October 18th at 6:30 pm**; this will be a great opportunity for you to meet other electees as well as introduce yourself to some of the active members of the chapter.

VII. MENTORSHIP PROGRAM

You will complete the initial informational survey (tinyurl.com/ybybtrry) by **Saturday, September 15th**. When you complete your initial survey, you will also answer some questions that will be used to match you with a mentor. We will match you with an older, active member who can act as a resource for you within TBP as you are electing. You must meet with your mentor at least once before Fifth General (December 4th). All meetings with your mentor will be scheduled on your own time, and there are no other set requirements besides the one meeting.

VIII. PAPERWORK

i. 6 Casual Peer Interviews

The interviews are to get to know your fellow members in Tau Beta Pi a little better. These interviews should be casual. At least two of the people interviewed must be active members. Think of 6 creative questions to ask members — no mundane questions will be accepted (“What is your favorite color?”). The questions may be typed, but answers must be hand-written by you, not your interviewee. No e-mail interviews are allowed. Please have your interview subject sign the sheet afterwards. A great time to complete your peer interviews is at your first electee team meeting! **Turn in interview questions and answers by October 22nd to the TBP Office (1226 EECS).**

ii. Electee Exam

The electee exam tests your knowledge of the history of TBP and our chapter. It is not meant to be stressful. We encourage you to work on it together and drop by office hours to ask officers for answers! Please don't ask for answers via e-mail — we want to get to know you! **Turn in the completed exam by Fifth General (December 4th) at the TBP Office (1226 EECS) or at meetings.**

IX. ONE-TIME MEMBERSHIP FEE OF \$100.

A one-time fee to be a member of Tau Beta Pi, which pays for electee supplies, the banquet, your bent, your certificate, your lifetime membership, etc. given to the Treasurer, Albert Cai. Checks should be made out to Tau Beta Pi. Cash is also accepted. If this fee poses a significant financial burden, please reach out to the Vice President for more information about a fee waiver as soon as possible.

Character Evaluation - Fall 2018

Tau Beta Pi MI-G

Exemplary character is one of the requisites for membership in Tau Beta Pi. In addition to being active members of the engineering community, Tau Beta Pi members must meet the **highest standards of moral character**. Our chapter will assess your character through written essays and an interview.

Electee Interview Questionnaire:

The first component of the character assessment in Tau Beta Pi is the Electee Interview Questionnaire. You will be required to complete the questionnaire with a couple fun questions, four short answer questions, and one essay question. Please note that this questionnaire (and a copy of your résumé) are due by **Tuesday, September 25th** by submitting them through the website. The questionnaire can be found under Members → Electee Resources while your résumé should be submitted to your website profile. Submit your **essay and résumé** by **Tuesday, September 25th at 11:59 pm**.

Some of the short answer questions will provide you with the opportunity to share a part of your personality with us. Others will ask for your opinion on topics related to academic integrity. While some may not directly relate to your character, these questions will allow us to better understand you and your thinking.

As an organization that stresses the importance of exemplary character in our members, the essay is a **crucial** part of character assessment. This (one page) essay is a rather open-ended assignment, and we encourage you to get creative with your description. Nevertheless, exemplary character is not an arbitrary concept, and we are looking for specific evidence that you know what this important quality means. Tau Beta Pi members should meet the highest standard of moral character. The quotes on the following page may help inspire you on the subject of exemplary character, but don't limit yourself to those ideas.

The questionnaire can be found and completed under **Members** → **Electee Resources at tbp.engin.umich.edu**. Be ready to discuss your answers during your interviews.

Interviews:

The interview is the most important part of character assessment. Interviews will be held in the Duderstadt Center Connector Conference rooms (**Dates TBD**). You must sign up for an interview pair. The interview will take place as 2 consecutive 25 minute parts, taking up a total time of one hour. Dress is business casual — you don't need to wear a suit, but don't show up in jeans. Electees can be denied membership on the basis of a negative interview, so take the process seriously. Interviewers will review the résumé and the answers to the Electee Interview Questionnaire you submitted by **Tuesday, September 25th**. Sign up for Part I and Part II of interviews on the website (tbp.engin.umich.edu).

Interview Dates: **TBD**

Each interview is two parts, Part I and Part II.

Location: **Duderstadt Center Connector Conference Rooms**

Requirements: **Dress is business casual**

Sign up for Part I and Part II of interviews under "Events" at tbp.engin.umich.edu.

Submit your questionnaire answers under **Members** → **Electee Resources at tbp.engin.umich.edu** and your résumé to your website profile by **Tuesday, September 25th**.

If you have any questions or scheduling issues, please contact the Vice President (tbp.vicepresident@umich.edu).

Electee/Actives Mixer:

The Electee/Actives Mixer is a great way to learn about what it is like to be a member of TBP. The mixer will be held **October 18th at 6:00 pm** in the BBB atrium. Both actives and electees will be invited, so you will have a chance to meet the rest of this semester's electees as well as network with the chapter's current active members. While not required as part of the electing process, we highly recommend attending.

Quotes about Character

"Character, not circumstance, makes the person."

– Booker T. Washington, American educator and civil rights activist (1856-1915)

"Character is like a tree and reputation like its shadow. The shadow is what we think of it; the tree is the real thing."

– Abraham Lincoln, 16th U.S. president (1809-1865)

"It is with trifles, and when he is off guard, that a man best reveals his character."

– Arthur Schopenhauer, German philosopher (1788-1860)

"Weakness of attitude becomes weakness of character."

– Albert Einstein, Swiss-American mathematician and physicist (1879-1955)

"Character cannot be developed in ease and quiet. Only through experience of trial and suffering can the soul be strengthened, vision cleared, ambition inspired, and success achieved."

– Helen Keller, American author, activist and lecturer (1880-1968)

"When the character of a man is not clear to you, look at his friends."

– Japanese Proverb

"The right way is not always the popular and easy way. Standing for right when it is unpopular is a true test of moral character."

– Margaret Chase Smith, American Senator (1897-1995)

"The best index to a person's character is (a) how he treats people who can't do him any good, and (b) how he treats people who can't fight back."

– Abigail Van Buren, American columnist (1918-2013)

Electee Exam - Fall 2018

Tau Beta Pi MI-G

INSTRUCTIONS:

This exam will cover the history and organization of Tau Beta Pi at a national level as well as the history and organization of our chapter, Michigan Gamma. This exam is not meant to be difficult, and you should not stress about it. Please complete this exam and turn it in to the Vice President, Angelo Vozza, or the TBP office (1226 EECS) by December 4th.

THE EXAM HONOR CODE

I have given or received aid on this examination. I have exposed no honor code violations. (There are none!)

Name: _____ Uniqname: _____
(Please print)

1. Name all of the officers of Michigan Gamma, their positions, and majors.

2. Name all of the faculty, alumnus, and student advisors of Michigan Gamma and their departments.

3. When and where was Tau Beta Pi Engineering Honor Society founded?

4. Who was the founder of Tau Beta Pi?

5. Where is the national headquarters of TBP located?

Forms for Working with Minors - Fall 2018

Tau Beta Pi MI-G

The University of Michigan, Ann Arbor Public Schools, and the Boy Scouts of America require anyone volunteering with children to complete background checks. This means that in order for anyone to volunteer and interact in any way with youth at TBP Events, he or she must complete a background check form. On Thursday, September 13th, the K-12 officers will submit your name to receive a background check and in the days after, you will receive an email from a third-party (GIS) to complete a background check form (check your spam). **You must submit a screenshot of the end of the survey by October 9, 2018 (Second General) in order to volunteer with youth at MindSET, Cub Scout Day, Merit Badge Day, or Shadow Day. You will not receive a confirmation email unless something is flagged.** If you are unable or unwilling to complete the form and submit to the background check, participation at K-12 events will be limited to roles that ensure non-interaction with youth.

The University of Michigan requires that all individuals volunteering with minors also complete training. To fulfill this training requirement, Tau Beta Pi is requiring members to complete Youth Protection Training, offered through the Boy Scouts of America. It takes around an hour to complete and can be found at myscouting.org. You will need to create an account before proceeding to take the training online, and after completing online training, you must save your certificate as a PDF document and send it to the K-12 officers.

Submit the screenshot of the background check and the YPT certification at tinyurl.com/tbp-k12vol. If you have any questions about the background check or training, or if you do not wish to complete the background check, please contact the K-12 officers, Swetha and Andrej (tbp.service@umich.edu).

To summarize, please submit the following through tinyurl.com/tbp-k12vol by October 9th*::

1. University background check. Take a screenshot of the final page of the survey (you will not receive a confirmation email).
2. Boys Scouts of America Youth Protection Training (YPT) at myscouting.org. Send the certificate that will be emailed.

*If you miss any of these deadlines but wish to participate in events involving youth, you may contact the TBP Service Coordinator to check if there is enough time to complete the background check prior to the event.

Service Project Descriptions - Fall 2018

Tau Beta Pi MI-G

The following projects and descriptions are examples of some of the service projects that our chapter has carried out in the past. Because the actual list of service projects that will be done this semester will likely change over the course of the semester, we cannot provide you with a definitive calendar of service projects. However, this list should give you a good sense of the different types of service projects that we undertake. If you see an event you'd like to participate in that hasn't been scheduled, you may also take the lead on it yourself. If you are interested please contact Eshita Khera (tbp.service@umich.edu); it is never too early to start getting involved in leadership. Note that the list below is only a taste of the service projects we have carried out.

Arb Restoration: If you like the outdoors, this project is for you! We help to keep the Nichols Arboretum the beautiful place it is by clearing out dead trees, picking up litter, and performing assorted groundskeeping tasks. Previous projects have included maintenance and re-routing of the stream that runs through it, planting, and various other types of light outdoor work.

Botanical Gardens: The University of Michigan has its very own Matthaei Botanical Gardens that houses exotic plants from around the world. Volunteer opportunities range from planting/maintaining the gardens to administrative work.

Cancer Center: The U-M Comprehensive Cancer Center provides its patients diagnostic, treatment, and support services in a collaborative environment. Past projects include putting together patient information packets for clinics and preparing Valentine bags of homemade cards and candy for patients.

Cub Scouts Day: Cub Scouts Engineering Day is a TBP-organized event for local Cub Scouts troops to receive their engineering badges. Activities include bridge building, egg drop, circuits, and floor plan. Volunteers are needed to help run these stations and to lead groups of Cub Scouts through the stations.

Detroit Partnership: DP Day is the largest day of service learning at the University of Michigan. TBP sends volunteers to work alongside Detroiters and fellow U of M students on a variety of tasks. The event is a chance to learn about the city, have fun and make a difference.

Diag Clean-up: Work with fellow TBP members to help clean the North or Central campus Diag and its surrounding areas.

Food Gatherers Soup Kitchen: Food Gatherers help prepare a warm meal, serve it, and clean up afterwards at the Delonis Center in Ann Arbor, which temporarily houses approximately 90 homeless people and serves regular meals to the community that have trouble making ends meet. This project directly benefits certain members of the Ann Arbor community that need food.

Food Gatherers Warehouse: Food Gatherers collects surplus food from businesses around the community to alleviate hunger. Volunteers are needed to help out at Food Gatherers' warehouse with activities including cleaning the warehouse and sorting and packaging food.

Habitat for Humanity: Habitat for Humanity seeks to eliminate poverty housing and homelessness and

has built more than 300,000 houses around the world. This is a great hands-on activity where we help build a local house for a family in need. NO experience is necessary. Experienced builders will help you and tell you exactly what to do.

Hands-On Musuem: The Ann Arbor Hands-On Museum aims to inspire people to discover the wonder of science, math and technology. Have fun with kids while learning cool science facts! Past events include helping children make their own microbes, exploring unique musical instruments, and celebrating DNA day.

KnitWits: KnitWits helps the less fortunate during the cold winters by creating warm clothes from donated material. We sew together scraps of fleece to make mittens, hats, and scarves for the homeless here in Ann Arbor. No experience is necessary; instructions and materials all provided!

Leslie Science Center: The Leslie Science and Nature Center, situated on 50 acres of fields, woods and prairie in the heart of Ann Arbor, focuses on the public education of science and conservation. It has nature trails, a Critter House, and a solar-powered Nature House. Help them prepare for one of their biggest activities - Animal Haunts! Volunteers are need for clearing trails, creating a maze in the prairie, carving pumpkins, etc.

MRelay: MRelay is Michigan's Relay for Life Event. TBP collaborates with other engineering organizations to sponsor a team to attend the actual event where team members take turns walking around a track or designated path at all times to signify that cancer never sleeps. Additionally, we host fundraising events to raise money and awareness for cancer research.

Recycle Ann Arbor: Recycle Ann Arbor's ReUse takes donations of reusable material such as furniture, housewares, and lumber, and then resells them to the public or donates to other non-profit organizations. Volunteers are needed to maintain the center; tasks include sorting materials, making displays, cleaning, and some outdoor work.

Ronald McDonald House: The Ronald McDonald House is a place for parents who have children receiving medical treatment at the UM Hospital to live and take care of their children during a difficult time. We prepare a dinner for the families.

Sequoia Place: TBP has paired up with HKN go to a local retirement home (Sequoia Place) on alternating weeks to help the residents with technical support for 2 hours (Word, GMail, stereos, etc).
