# Character Evaluation - Winter 2016

Tau Beta Pi MI-G

*Exemplary* character is one of the requisites for membership in Tau Beta Pi. In addition to being active members of the engineering community, Tau Beta Pi members must meet the **highest standards of moral character**. Our chapter will assess your character through written essays and an interview.

## Electee Interview Questionnaire:

The first component of the character assessment in Tau Beta Pi is the Electee Interview Questionnaire. You will be required to complete a questionnaire with a couple fun questions, four short answer questions, and one essay question. Please note that this questionnaire (and a copy of your résumé) are due by **Sunday, January 31<sup>st</sup>** by submitting them through the website. The questionnaire can be found under Members → Electee Resources while your résumé should be submitted to your website profile. Submit your **essay and résumé** by **Sunday, January 31<sup>st</sup>**.

Some of the short answer will provide you with the opportunity to share a part of your personality with us. Others will ask for your opinion on topics related to academic integrity. While not a direct question on character, these question will allow us to better understand you, your thinking, and grasp your personal character.

As an organization that stresses the importance of exemplary character in our electees and our active members, the essay is a **crucial** part of character assessment. This (one page) essay is a rather open-ended assignment, and we encourage you to get creative with your description. Nevertheless, exemplary character is not an arbitrary concept, and we are looking for specific evidence that you know what this important quality means. Tau Beta Pi members should meet the highest standard of moral character. The quotes on the following page may help inspire you on the subject of exemplary character, but don't limit yourself to those ideas.

The questionnaire can be found and completed under **Members → Electee Resources at [tbp.engin.umich.edu](http://tbp.engin.umich.edu)** Be ready to discuss your answers during your interviews.

## Interviews:

The interview is the most important part of character assessment. Interviews will be held **February 4 & 5** in EECS 1222. Each interview should last about 25 minutes and starts no later than 5 minutes after the scheduled start time (to allow for travel from classes). Dress is casual — you don't need to wear a suit. Electees can be denied membership on the basis of a negative interview, so take the process seriously. Interviewers will review the résumé and the answers to the Electee Interview Questionnaire you submitted by **Sunday, January 31<sup>st</sup>**. Sign up for a graduate electee interview on the website ([tbp.engin.umich.edu](http://tbp.engin.umich.edu)).

Interview Dates: **February 4 & 5**

Location: **1222 EECS**

Requirements: **Dress is casual**

Sign up for a graduate electee interview under "Events" at [tbp.engin.umich.edu](http://tbp.engin.umich.edu)

Submit your questionnaire answers under **Members → Electee Resources at [tbp.engin.umich.edu](http://tbp.engin.umich.edu)** and your résumé to your **website profile** by Sunday, January 31<sup>st</sup>.

The interview information will be re-addressed before Second General. However, if you have any questions or scheduling issues, please contact the Vice President ([tbp.gradvicepresident@umich.edu](mailto:tbp.gradvicepresident@umich.edu)).

## Quotes about Character

**"Character, not circumstance, makes the person."**

– Booker T. Washington, American educator and civil rights activist (1856-1915)

**"Character is like a tree and reputation like its shadow. The shadow is what we think of it; the tree is the real thing."**

– Arthur Schopenhauer, German philosopher (1788-1860)

**"Weakness of attitude becomes weakness of character."**

– Albert Einstein, Swiss-American mathematician and physicist (1879-1955)

**"Character cannot be developed in ease and quiet. Only through experience of trial and suffering can the soul be strengthened, vision cleared, ambition inspired, and success achieved."**

– Helen Keller, American author, activist and lecturer (1880-1968)

**"When the character of a man is not clear to you, look at his friends."**

– Margaret Chase Smith, American Senator (1897-1995)

**"The best index to a person's character is (a) how he treats people who can't do him any good, and (b) how he treats people who can't fight back."**

– Abigail Van Buren, American columnist (1918-2013)

## Service Project Descriptions - Winter 2016

Tau Beta Pi MI-G

The following projects and descriptions are examples of some of the service projects that our chapter has carried out in the past. Because the actual list of service projects that will be done this semester will likely change over the course of the semester, we cannot provide you with a definitive calendar of service projects. However, this list should give you a good sense of the different types of service projects that we undertake. If you see an event you'd like to participate in that hasn't been scheduled, you may also take the lead on it yourself. If you are interested please contact Service Chair David Martel ([tbp.service@umich.edu](mailto:tbp.service@umich.edu)); it is never too early to start getting involved in leadership! Note that the list below is only a taste of the service projects we have carried out. To view a more complete list follow this link: [goo.gl/FO0Ik0](https://goo.gl/FO0Ik0)

**Adopt-A-Highway:** MDOT created Adopt-A-Highway in 1990 to improve the beauty of our highway road-sides with community help. With the help of 6-12 TBP members, we clean a stretch of Fuller Road near North Campus.

**Arb Restoration:** If you like the outdoors, this project is for you! We help to keep the Nichols Arboretum the beautiful place it is by clearing out dead trees, picking up litter, and performing assorted groundskeeping tasks. Previous projects have included maintenance and re-routing of the stream that runs through it, planting, and various other types of light outdoor work.

**Book Swap:** TBP organizes this COE-wide event to help students buy and sell used books. First, students can bring in their used books and set their asking price. Next, other students stop by to peruse our selection and purchase used books. Project leaders should ideally be in Ann Arbor a week or two before school starts to set this up.

**Botanical Gardens:** The University of Michigan has its very own Matthaei Botanical Gardens that houses exotic plants from around the world. Volunteer opportunities range from planting/maintaining the gardens to administrative work.

**Cancer Center:** The U-M Comprehensive Cancer Center provides its patients diagnostic, treatment, and support services in a collaborative environment. Past projects include putting together patient information packets for clinics and preparing Valentine bags of homemade cards and candy for patients.

**Cub Scout Day:** Cub Scout Day is an activity hosted by TBP that allows local Cub Scouts to come to campus and earn their Engineering Pin. Activities include an electronics module, a bridge module, a catapult module, and the most exciting part: designing a landing craft for an egg drop! Volunteering activities may include helping the Scouts during the modules, leading a module, set up and clean up, and more.

**Detroit Partnership Pen Pals:** TBP pairs with the Detroit Partnership and the Society of Physics Students to provide pen pal mentors for 80 second through eighth grade students at Michigan Technical Academy in Detroit. The project entails writing one detailed letter each month and attending a brief orientation to make a meaningful impact on the life of a Detroit student. Young people need mentors, and even though you might sometimes be nerdy and awkward, you also might be exactly the sort of person who can inspire them.

**Diag Clean-up:** Work with fellow TBP members to help clean the North or Central campus Diag and its surrounding areas.

**Food Gatherers Soup Kitchen:** Food Gatherers help prepare a warm meal, serve it, and clean up afterwards at the Delonis Center in Ann Arbor, which temporarily houses approximately 90 homeless people and serves regular meals to the community that have trouble making ends meet. This project directly benefits certain members of the Ann Arbor community that need food. As this is a popular project, project leaders should aim to set up four events a semester (monthly).

**Food Gatherers Warehouse:** Food Gatherers collects surplus food from businesses around the community to alleviate hunger. Volunteers are needed to help out at Food Gatherers' warehouse with activities including cleaning the warehouse and sorting and packaging food.

**Habitat for Humanity:** Habitat for Humanity seeks to eliminate poverty housing and homelessness and has built more than 300,000 houses around the world. This is a great hands-on activity where we help build a local house for a family in need. NO experience is necessary. Experienced builders will help you and tell you exactly what to do.

**Hands-On Museum:** The Ann Arbor Hands-On Museum aims to inspire people to discover the wonder of science, math and technology. Have fun with kids while learning cool science facts! Past events include helping children make their own microbes, exploring unique musical instruments, and celebrating DNA day.

**Leslie Science Center:** The Leslie Science and Nature Center, situated on 50 acres of fields, woods and prairie in the heart of Ann Arbor, focuses on the public education of science and conservation. It has nature trails, a Critter House, and a solar-powered Nature House. Help them prepare for one of their biggest activities - Animal Haunts! Volunteers are needed for clearing trails, creating a maze in the prairie, carving pumpkins, etc.

## Forms for Working with Minors - Winter 2016

Tau Beta Pi MI-G

The University of Michigan, Ann Arbor Public Schools, and the Boy Scouts of America require anyone volunteering with children to complete background checks. This means that in order for anyone to volunteer and interact in any way with youth at TBP Events, he or she must complete a background check form. The form is attached to this sheet. Please fill out the form and turn it in to the Service Coordinator, David Martel ([tbp.service@umich.edu](mailto:tbp.service@umich.edu)) as soon as possible. You can also turn it in during Second General, at the TBP office (1226 EECS), or at your interview. **You must turn them in by February 5<sup>th</sup> in order to volunteer with youth at MindSET or Cub Scout Day.** If you are unable or unwilling to complete the form and submit to the background check, participation at K-12 events will be limited to roles that ensure non-interaction with youth.

The University of Michigan requires that all individuals volunteering with minors also complete training. To fulfill this training requirement, Tau Beta Pi is requiring members to complete Youth Protection Training, offered through the Boy Scouts of America. This training will be offered in-person at the end of the Second General meeting (register on the website), and can also be completed online. The online version takes around 24 minutes to complete and can be found at [myscouting.org](http://myscouting.org). You will need to create an account before proceeding to take the training online, and after completing online training, you must save your certificate as a PDF document and send it to the Service Coordinator ([tbp.service@umich.edu](mailto:tbp.service@umich.edu)). **Participation in the in-person training or the submission of your PDF certificate, proving that you have completed the online training, should be completed by February 5<sup>th</sup>.**

If you have any questions about the background check or training, or if you do not wish to complete the AAPS background check, please contact the Service Coordinator, David Martel ([tbp.service@umich.edu](mailto:tbp.service@umich.edu)).

To summarize, please have the following done by their respective due dates\*:

1. Ann Arbor Public Schools background check due **February 5<sup>th</sup>** to the TBP Service Coordinator or the TBP Office (1226 EECS).
2. Boys Scouts of America Youth Protection Training (YPT) in-person participation (with registration) or online training certificate due **February 5<sup>th</sup>** to the TBP Service Coordinator ([tbp.service@umich.edu](mailto:tbp.service@umich.edu)).
