Election to Membership

MI-G Bylaw IV.1(g)(ii):

“The second election of candidates meeting (“Third Actives”) takes place approximately 4 weeks prior to initiation (or enough time as is needed to report the confirmed electees to headquarters) and focuses on the candidates’ progress toward completion of the requirements set forth in Appendix A or B as appropriate. Candidates whose character was not discussed at Second Actives must have their character reviewed at this meeting. In a closed session, the active members hold a discussion and vote on whether to elect each candidate to membership. To be elected, a candidate must receive a three-fourths ($3/4$) vote of the active membership present at the meeting. Active members, whether undergraduate or graduate students, are eligible to vote on new members. Alumni members are not eligible to vote on new members.”
