Good Interviewing Practices

GOOD INTERVIEWING PRACTICES

Tips for having an informative and pleasant interview

Friendliness and gentle questioning/encouragement is effective!

Don't get caught up on sticking to the "schedule"

Provide the correct materials to the electee

Stay professional (watch your body language)

More about how they think, less about the answer

Be honest, share any concerns, and explain them

FILL OUT THE EVALUATION FORM

- We use *Robert's Rules of Order* to conduct official business.
 - A system to ensure that everyone can participate.
 - A system to ensure that the rights of a minority are not trampled.
 - Engineers use systems all the time... this is just a different type of system.

- Under the *Robert's Rules system*:
 - One person is designated as the meeting chairperson
 - Responsible for ensuring that the chapter conducts its business.
 - Moderates discussion and helps to keep the chapter moving through its agenda.
 - To be recognized, raise your hand.
 - There are two general types of things to say when recognized:
 - You can discuss / add value to the discussion
 - You can propose an action for the chapter to take by making a motion.

- You can propose an action for the chapter to take by making a motion.
 - I move that we end discussion and vote on the proposal.
 - I move that we postpone consideration of this proposal until the Elections meeting.
 - I move that we take a 5 minute break.
 - I move that
- Once you've been recognized by the chair and have made a motion, the chair will repeat the motion and then ask for a second. (Don't yell "SECOND!" or "MICHIGAN GAMMA SECONDS!" before being asked!) Another member needs to support your idea for it to get further consideration.

- Should a motion be made and seconded, the chair will do one of two things:
 - If the motion is **debatable**, the chair will ask for debate / discussion on the motion.
 - If the motion is **not debatable** (such as a motion to adjourn) the chairperson will conduct a vote.

- If recognized by the chairperson, you can also ask questions.
 - Don't be afraid to ask a question! The rules are in place to make it easier for <u>EVERYONE</u> to participate and have ownership of our chapter's activities.

• Points

- In addition to *making motions* and *speaking to motions*, you can also raise various types of **points**.
 - A point of *Personal Privilege:* I can't hear the speaker!
 - A request for Information: Can the chair explain what the last speaker meant when she said "laureate?"
 - A point of order: This motion is not allowed by our chapter Bylaws.
- Some points can interrupt a speaker (point of order, point of privilege) while others can not.

Proposal 1: Bylaw Amendment

- The MI-G chapter bylaws define the requirements to be active; being able to vote and participate in chapter activities.
- The F18 officer corps has made participating in our chapter's mentorship program a requirement for all candidates to complete prior to initiation.
 - The Officer corps has added the requirement for undergraduate and graduate candidates as well as for actives to achieve DA or PA status.
- The proposal before the chapter would amend Bylaw VIII to enable Tau Bates to participate in the program as a mentor rather than be required to attend a social event to achieve active status.

Chapter Mentorship Program

- Matching older Tau Bates with electees to mentor them as they join the chapter
- Mentoring Outcomes:
 - Personal Development
 - Professional Development
 - Academic
 - Social Networking
- Requirements:
 - Set up at least **one meeting** with your mentee between now and
 Fifth General (Dec. 4th)
- Currently:
 - 91 mentees (71 UG, 20 G)
 - 29 mentors (19 UG, 10 G)

Proposal 1: Bylaw Amendment

Proposed addition to Bylaw VIII section 1.

Section VIII.1. ACHIEVING ACTIVE STATUS To achieve active status for the current semester, a Michigan Gamma Tau Beta Pi member must satisfy one of the following:

- (a) Be an officer, Distinguished Active, or Prestigious Active,
- (b) Have initiated into the society in the current semester, or,
- (c) Achieve a sufficient level of activity in the society, as defined by the following requirements:
 - (i) Attend, at a minimum, two meetings, both of which must be voting meetings (2nd Actives, 3rd Actives, or Officer Elections),

The Engineering Honor Society

era

- (ii) Complete two hours of TBP-sponsored service, and
- (iii) Attend at least one social event **or serve as a mentor in the chapter mentorship program.**
