FIRST ACTIVES MEETING AGENDA

1. Officer Updates

- Upcoming events/dates
- Reminders & Announcements

2. Leadership Spotlights

3. Electee Interviews – Best Practices

4. Game Time!

PROCEDURE FOR FOOD SIGNUPS

- Fill out the dietary restrictions form if you have not already
 - tbpmig.org/food
- To guarantee food at a meeting, you will need to sign up for the in-person event on the website AT LEAST 48 hours before that event
 - Eg. If you want food at a Tuesday Chapter Meeting (like today's) you would need to sign up for the website event by 6:30pm on the Sunday before.
 - This is a hard deadline, we will copy this list at that time and use it to determine our food order every Sunday.

TBP Outreach Activities

TBP is committed to giving back to the college and community. We have a number of outreach activities both on and off campus.

Tutoring

If you're looking for some extra assistance in the core engineering courses like Math, Physics, Chem, or ENGR 101, TBP offers free one-on-one tutoring. We also coordinate with [HKN](#) to offer tutoring for 200-level EECS courses, and with [PTS](#) to offer tutoring for 200-level ME courses. Submit [this form](#) to request tutoring or visit the [Tutoring page](#) for more information.

MindSET

MindSET is a program run by TBP to support math and science programs in K-12 schools. Each semester we host about 3 modules aimed at teaching and getting students excited about a number of math and science concepts. We're always looking for more volunteers, and you don't need to be a member to help out—it's a great way to help promote engineering either way. You can get more information on the [MindSET page](#).

SWE/TBP Career Fair

Each Fall, TBP joins [SWE](#) to co-host the SWE/TBP Career Fair. Close to 300 companies are usually in attendance over the three-day event. For more information, visit the [SWE/TBP Career Fair website](#).
