Engineering

Would you prefer having hybrid or in person meetings? Why so?

What specific pd & service events would you like to see?

**Everyone
agrees in
person is
better**

**Food Gatherers is a
food bank in the area
that provides meals to
underprivileged
people. They allow
groups to come in and
make a meal. (team
building + service)**

**Negotiating
job offers
workshop**

**Hybrid is good in case
you can't make the
meeting in-person
and want to get the
information anyway
(although some
meetings may be
harder to host if
hybrid)**

What is your name & major?
What's your favorite movie/
book?

Alex de la Iglesia CS
- Harry Potter

Yuhao,
Nuclear
Eng.

Chris Tapia
(grad) -
Energy
Systems
Engineering.
Fav book:

Jared
Sharnowski
BME -
Interstellar

Would you prefer having hybrid or in person meetings? Why so?

What specific pd & service events would you like to see?

I like hybrid meetings for the flexibility. You could add a requirement for # of in-person meetings to generate a stronger sense of community

There doesn't seem to be a problem with adding the online option

Having good motivations like food helps encourage going inperson

I prefer in person events because it feels more engaging but the hybrid events provide more flexibility.

Inviting Alumni/Tau Bate to speak about life in industry and compare to academia

PD events to help students get an idea of what things they should be doing or what opportunities to take at what point in time

Improve Resume review events to include industry professionals to help review resumes

Outdoor events like natural area preservation

Thanksgiving Meals

What is your name & major?
What's your favorite movie/
book?

Drew Boughton, ME.
Favorite book:
Infinite Jest

Yunseok.
Aero. Top
Gun

Ishaan Shetye
(EECS-Grad)-
Book-Fundamentals
of Electric Circuits
(jk.... It's The
Alchemist)

Would you prefer having hybrid or in person meetings? Why so?

What specific pd & service events would you like to see?

Hybrid vs. In-person

Hybrid for most meetings, not suited for service

Service Events

Helping people in need with yard/home repairs

Returnable can/bottle drive (in the works)

habitat for humanity

Adopt-a-Park

PD Events

Sandwiches and Speakers for more technical topics (i.e. technical writing, professionalism)

Research interest poll then talk with professors

Mentorship program between TBP alumni and current TBP students

What is your name & major?
What's your favorite movie/
book?

Denise Cara Schlautman,
Materials Science and Engineering.
KNIVES OUT

Matthew John Kukucka, Computer Engineering,
everything everywhere all at once

Jacob Victor Miller,
Chemical Engineering.
Sllmarlloononolsegfho

Daphne,
EE. Game Night

Would you prefer having hybrid or in person meetings? Why so?

What specific pd & service events would you like to see?

hybrid, sometimes weather is bad or sick

hybrid b/c people have class/lab from 6-9pm on Tuesdays, so you can still join virtually

hybrid would get more ppl to come

not many ppl speak from the void

you get less engagement with virtual ppl

in person would make VP's job easier

blanket-making event was an engaging service event

volunteering at a cat cafe

highschool tutoring (but on north campus)

ANIMAL SHELTER

THE TBP CAR WASH

food gatheres warehouse or kitchen collab

how about corporate info sessions that are not EECS focused?!!!!!!

(totally not mock) interview practices?

grad school stuff

Arjun could lead a SUGS info session!!!

What is your name & major?
What's your favorite movie/
book?

Andy - CE
- War Games

Alex -
The Matrix

Tony -
ChemE -
Emoji
Movie

Frank
-CS -
Shrek

Ben -
ChemE -
Star Wars

Would you prefer having hybrid or in person meetings? Why so?

What specific pd & service events would you like to see?

Pros:

- Increased availability 

- Seeing Riley in person ;) <3

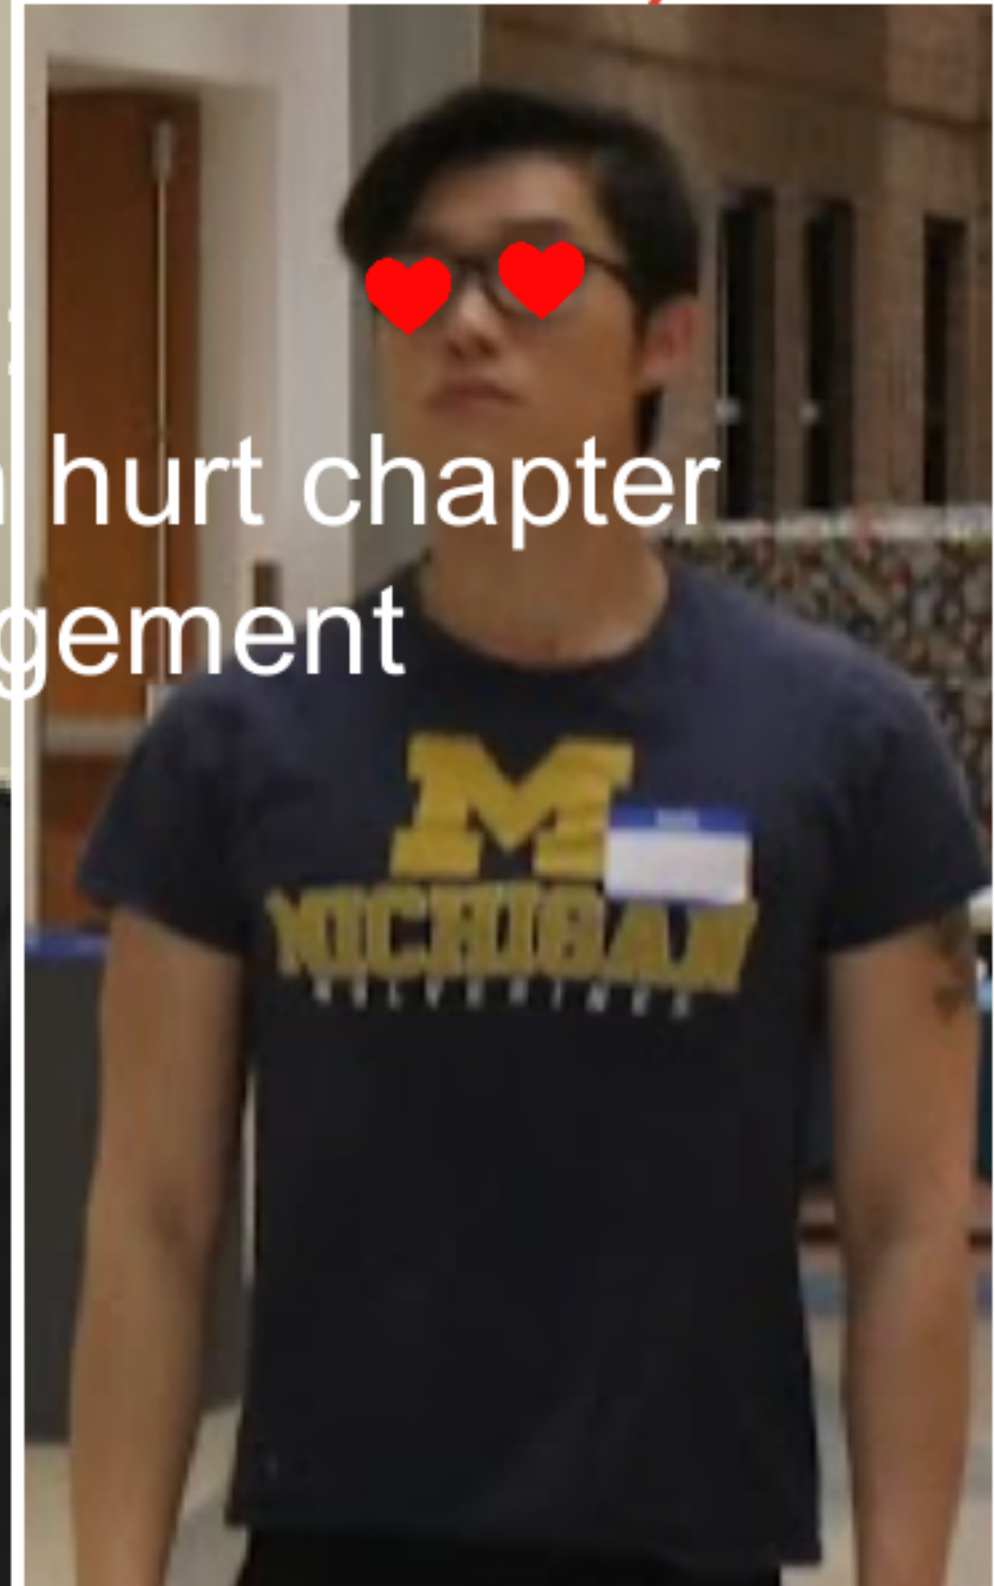

PD Events:

-SUGS Info session

- Cover letter workshops

Cons:

- Can hurt chapter engagement

What is your name & major?
What's your favorite movie/
book?

Karen -
BME - six
of crows

Yash - ECE
Major -
Sapiens/Top
Gun Maverick

Arjun, ME,
Spiderman
into the
spiderverse

Vance - ME -
favorites are a
falsely
restricted
concept

Kevin; MSE;
Spaceballs

Ansh;
IOE;
Fast 5

Would you prefer having hybrid or in person meetings? Why so?

What specific pd & service events would you like to see?

If any events (like a PD workshop etc) require more interaction or the online format is not that effective, it would be ok to have only in-person option

Depending on the events it might be good have the hybrid option available since there are still some students working remotely.

In person only for general meetings and maybe NI, hybrid for others

Meetings - in person! Easy connections. Putting a face to a name. Less awkward interactions. Able to get more done

free food in person!

LinkedIn Tutorial

DEI events

Helping underserved k-12 programs in metro Detroit--could repurpose some infrastructure from Cub Scouts/Merit Badge Day

sugs/grad student panel - give volunteer hours to grad students who participate in panel :))

^ series of similar things, how to use handshake, other hiring platforms

What is your name & What's your favorite movie/book?

We Have Money

Hunter
Computer Science
Interstellar

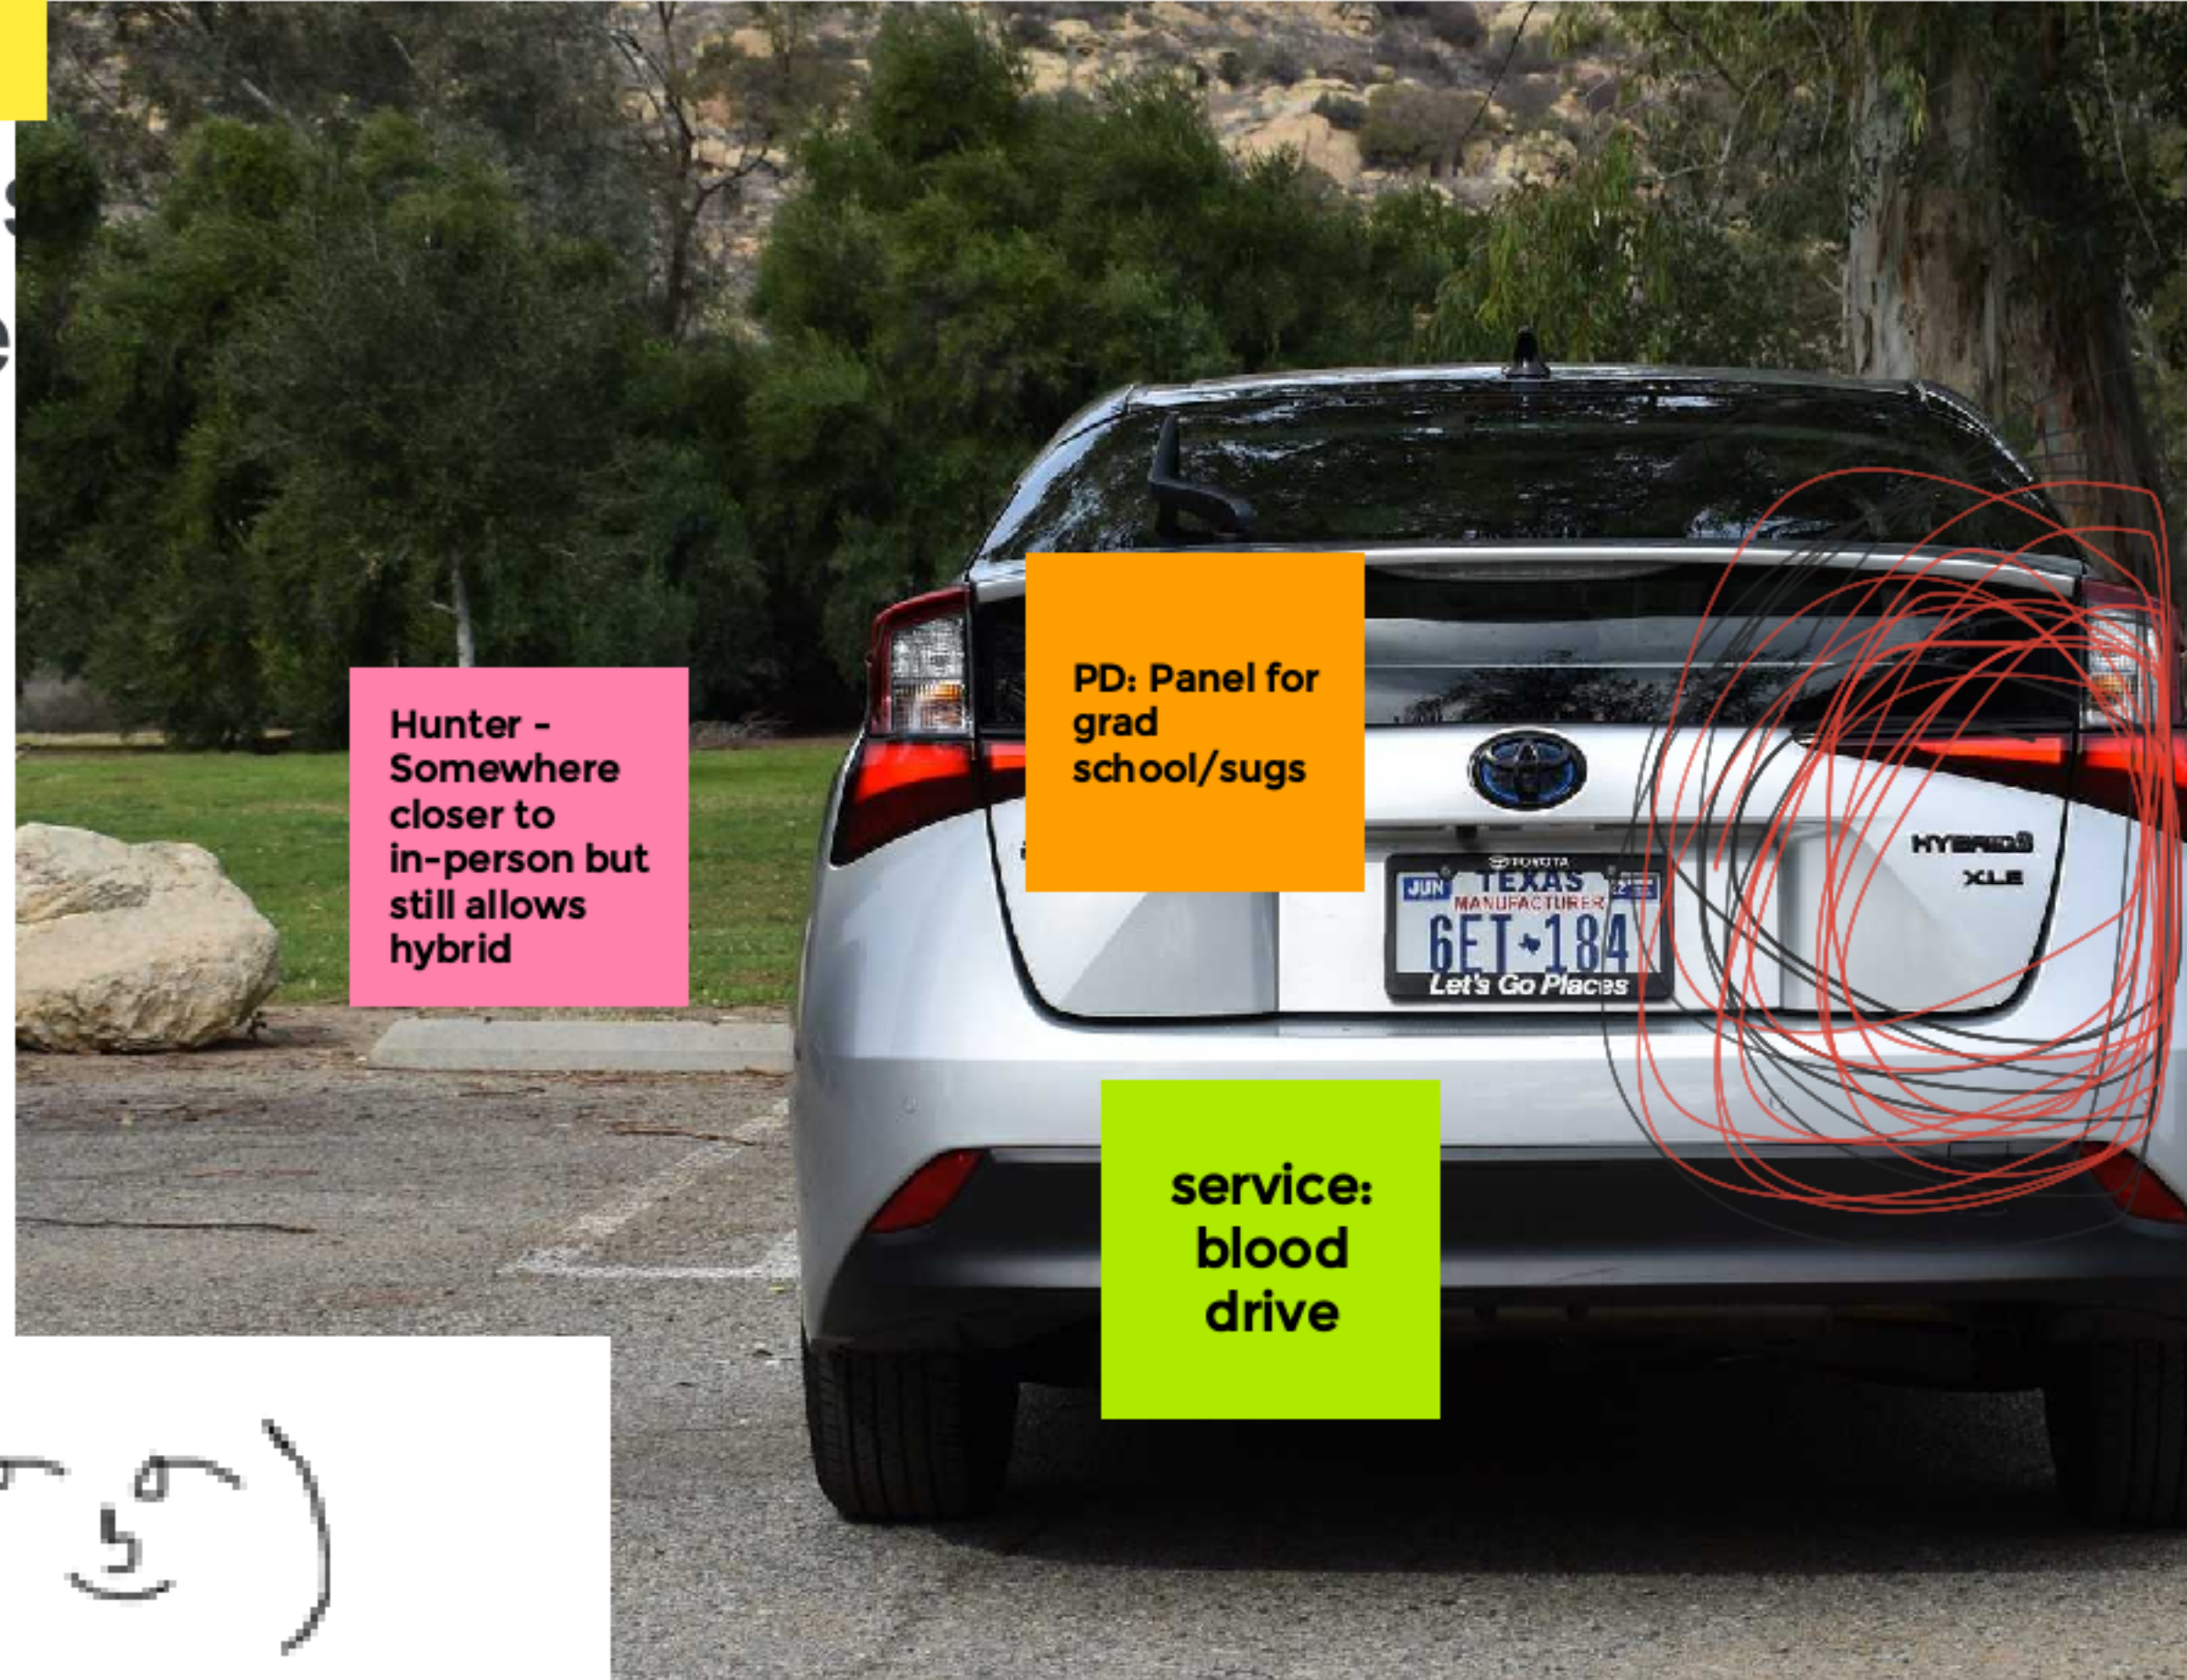

Mitra
Computer Science
Wir haben Geld
Tenemos Dinero
ما پول داريم

Namit - BME
Spiderverse

do you prefer having hybrid or in person

What's to see

Hunter - Somewhere closer to in-person but still allows hybrid

PD: Panel for grad school/sugs

service: blood drive

Would you prefer having hybrid or in person meetings? Why so?
What specific pd & service events would you like to see?

**ZOOM
Folks**

**Zahraa -
Robotics**

**Samuel -
IOE
Master's**

**Niloy
Gupta -
Aerospace**

**Nadine El
Chaffir-
Chemical
engineering**

**Group events
for company
recruitment
that recruiters
set up**

**PD events that
focus on social
ventures and ethical
business practices**

**Info session on how
to prepare for
and/or decide if you
want to pursue a
PhD. Hear about
what life is like
working in
academia.**

**Focus on long
formats (10+
minutes) for
presentations
as well**

**Allows me to attend
me events when I
have
scheduling/transporta
tion constraints**

**Prefer hybrid
meetings because
of long commute to
campus and don't
have class on
Tuesdays.**

**Allows me to
attend when
my chronic
pain is acting
up**

**Large preference for
hybrid meetings -
reasons range from
chronic pain,
distance and travel
time, convenience,
illness and other
potential
conflictions**
