Dev. Events

Currently Planned (and Repeatable) Service Events

- **Hands-On Museum:** Leading collaborative activities with kids
- **Kiwanis Thrift Sale:** Helping with operations for non-profit thrift store
- **Knitwits:** Making blankets that are donated to charity
- **Leslie Science Center:** Weather proofing and grounds cleaning
- **Maize & Blue Cupboard:** Distributing food on North, operations on Central
- **NAP Stewardship Days:** Removing invasive species to preserve local fauna

Many of these events are in collaboration with other organizations, which is great for the community, but can stifle more “homegrown” ideas from TBP members. Try to focus on unique ideas that we can do without external coordination.

Currently Planned Professional Development Events

- **Exam Week Study Halls:** Come study for your exams with fellow Tau Bates
- **Mock Interviews:** Practice for behavioral interview questions
 - May be conducted in partnership with GEICO - they are willing to help run it
- **Elevator Pitch Workshop:** Learn to market yourself at career fairs and events with an elevator pitch that leaves a lasting impression
- **Presentation Practice:** Practice presenting on any topic in front of a crowd
- **Corporate Info Sessions**
 - US Navy: mid-March
 - Wolverine Trading: late-March
 - Potentially GEICO: mid-March
- **Professional Headshots**

Summary:

- **Refer to NI guide: tbpmi.ga/ni1guide**
- What format of events (**in-person vs hybrid**) would you prefer, and why?
 - List out some pros and cons for each modality
 - Are there some types of events you would prefer in person/hybrid? Which ones?
- What **specific professional development & service events** would you like to see?
 - Additionally, how would you execute this event?
 - Would you prefer for this events to be on or off campus?
 - Are there any events by other organizations that you would like to see at TBP?

We will reconvene at 7:05pm
