

Welcome to New Initiatives II !

TBP MI-G · 10/11 · Fall 2022

Recap from last meeting...

We discussed the possibility of outsourcing the website

Updates:

- A new website in the works, but will take time to come to fruition
- Planning to be outsourced

And we talked about possible revenue sources/rainy day funds

Topic 1: Tutoring Services

Our tutoring program for the university community is an important part of our service outreach objectives.

- What methods of advertisement could we employ?
 - Currently depends on word of mouth
- What changes could be made to make the service more accessible to students?
- Electees + Actives: If you haven't tutored yet, why not? What would incentivize you to volunteer as a tutor more?

Topic 2: Chapter Engagement

What do you like about TBP?

What could we do to make your TBP experience even more fulfilling?

Specifically,

- Actives: why are you here (at NI 2)?
- Electees: what do you expect of TBP? Why did you decide to elect?
