Scavenger Hunt

Group Name: _____

Today's group activity is a scavenger hunt. There is a list of places (and points) for finding and taking pictures of you and your group with these places/people/things. You need to have at least half your group in the photo for it to count! Splitting up is not allowed!

Points	Item
___ 30	How much nerdier can we get than a plane of intersecting sine and cosine waves?
___ 30	A column that doesn't support anything and will never be finished.
___ 30	Mirrored elevator, oooh shiny.
___ 20	Make a block M with your group surrounding a metal M.
___ 30	Find the Structures Lab.
___ 20	Take a picture next to a pond.
___ 60	Get a picture from the top of the Bell Tower.
___ 30	Find the offices of organizations who sell food on North Campus.
___ 30	Find a Christmas Tree made of pop (or soda) cans.
___ 30	Find a pulse detonation engine, BOOM.
___ 20	Find the only statue of our school mascot on North Campus, thank you class of E2001.
___ 100	Find a defunct current TBP officer (i.e. one not at the meeting).
___ 20	Find one of the first computers ever.
___ 50	Find a student in pajamas.
___ 20	Find a student in a suit.
___ 10	Find the big white metal tribute to architecture/roller coasters (10 extra points for finding the plan).
___ 50	Take a picture with the North Campus deer or turkey (double points for a picture with both). They must be alive

You have 30 minutes to find and take pictures (with at least half of your group) of as many of these items as possible before returning to 1013 Dow. Latecomers will be executed. Please send the pictures to Kristin (grafk) and results will be up within the week.
