Letter From the Historian

Welcome back, Tau Bates! Whether it's your first semester as an active or your sixth, I am excited to see everyone here! My name is Jacob, and I will be your Historian for the semester. I elected to Tau Beta Pi last semester, and I am excited to contribute to and be a part of the TBP community.

This is a very special edition of The Cornerstone because it is fully digital (except for The Best Puzzles). You will find printed-out puzzle sheets, but tbp.engin.umich.edu/publications/cornerstone is the only place to find the rest of The Cornerstone. As of now, this setup is the plan for all editions of The Cornerstone (excluding First General and Elections) going forward. If you would like to give feedback on this decision, please take a minute to fill out the form at tbpmig.org/digitalcornerstone. This plan can be changed at any time, and your feedback is incredibly valuable. Additionally, if you would like to give feedback unrelated to this plan or you would like to add something fun to The Cornerstone, please fill out the Cornerstone Contribution Form at tbpmig.org/cornerstonecontribution.

I hope your semester has not gotten too busy yet! I am excited to be your Historian and make some memories with everyone this semester! If you have any feedback or suggestions, fill out the forms above or reach out to me at tbp.historian@umich.edu.
