Letter From the Historian

Hello Tau Beta Pi actives and electees! To the actives, welcome back to another meeting. To the electees, welcome to your Second General! We are glad that you have decided to continue with the electing process.

Today's meeting is a very fun one! This will be the meeting where you will meet your electee team for the semester. Now, what does an electee team mean? Well, electees will be placed into teams. Each team will compete in fun games and challenges to receive points. You can also receive points for being the most outstanding electee of the week or by completing a lot of service hours for your team! The team with the highest points will be crowned the winner of the electee team competition.

In this meeting, you will work together on your first team activity: coming up with your team name. We are looking forward to seeing your creative name submissions. I can personally say that when I first joined an electee team was when I truly felt a sense of belonging in Tau Beta Pi, and my teammates are still my friends to this day. I hope you, too, will have this same experience.

In any case, we are excited to assist you with the electing process, so please reach out to us if you have any questions, concerns, or feedback. Again, I hope you have a wonderful week, and we look forward to interviewing you all. Forever and always, Go Blue!
