TBP Photo Contest

Tau Beta Pi is having a photo contest, and you're invited to participate! Next time you're at a TBP event, take some pictures and pass them along to tbp.publicity@umich.edu. We'll be selecting winners for the best pictures in 3 categories: service events, social events, and professional development events. Each of the three winners will get a \$10 gift card to a popular Ann Arbor restaurant like Jerusalem Garden, NYPD, or Chela's.

Guest Speaker: Mike Peterson

“From a Tau Beta Pi standpoint, I joined the Iowa Alpha Chapter of TBP in 1986, and served as a chapter officer and chapter president during my time there; we were also the host of the National Convention in 1988, during my term as president. After graduating from Iowa State, I was active in Tau Beta Pi for many years, serving as a District 7 director for several years, and also working actively as an Engineering Futures facilitator, where I was part of the initial team that kicked off the program in 1990, and I also helped with curriculum development and enhancement & also training of new facilitators. From a professional standpoint, I've worked at General Motors in a variety of technical and leadership positions over the last 28 years, and I think that business experience combined with my Tau Beta Pi background would help me to add value to the organization going forward.”

Kakuro puzzles are similar to crosswords, but instead of letters the board is filled with digits (from 1 to 9). The board's squares need to be filled in with these digits to sum up to the specified numbers. You are not allowed to use the same digit more than once to obtain a given sum.

Officer Position Descriptions

President

The President is responsible for overall chapter operations. This includes setting agendas for and running the general, officer, and advisory board meetings. It also includes ensuring that all of the officers are fulfilling their duties and have access to the resources they need. The President also serves as the face of TBP to the CoE. The president also creates a plan to move the chapter toward greater campus involvement.

Graduate Vice President and Vice President

The main role of the Vice President is to oversee the electees during their electing process. This involves sending, receiving, and responding to numerous emails a day; keeping track of the electees to make sure they are completing their requirements; and generally being the go-to person for anything involving the electee process.

Secretary

The Secretary is responsible for a lot of the behind the scenes logistics of the chapter. The Secretary is a main point of communication for the chapter with the National Organization and must complete all the required reports to keep the chapter running. Within the chapter, the Secretary reserves rooms for events, facilitates the recruitment of Eminent Engineers, takes minutes at the officer meetings, and handles the catalogue cards. Being Secretary is a great way to be very involved in the happenings of the chapter.

Service Coordinator

The Service Coordinator is responsible for finding project leaders to plan service events and help them through the planning process when necessary. You are also responsible for working with other organizations who contact TBP looking for volunteers at various community service events.

Professional Development Officer (2 semesters)

The Professional Development Officer is responsible for running the professional development committee which plans PD events. The biggest component of this position is planning Corporate Information Sessions and communicating with the chapter president and companies. The PD officer also announces PD events weekly.

Activities Officer

The Activities Officer is in charge of organizing social events, running the IM Sports teams, and coordinating the end of semester banquet. A car makes this position easier, but is not required. Social events include TG's, IM Sports, Game Nights, Intersociety Events, etc.

K-12 Outreach Officers

K-12 Outreach officers organize MindSET modules, communicate with schools, coordinate volunteers, purchase supplies, and organize rides. We are also working to start new K-12 Projects and incorporate a K-12 Outreach Committee. Specific responsibilities include organizing Cub Scouts Day and Merit Badge Day. This officer position requires a separate application and interview.

Campus Outreach Officer

The main responsibility of the campus outreach officer is to coordinate TBP's free tutoring service and organize Breakfast Parties. This position involves checking your email as often as possible. Additional events that the campus outreach officer coordinates include Martin Luther King, Jr. Luncheons and Tau Beta Pi(e) Day. You set up and organize volunteers to promote TBP while providing free food the North Campus community! The officer also looks for new tutoring opportunities and tries to implement any that are feasible. This semester, drop-in tutoring sessions were piloted.

Chapter Development

The Chapter Development Officer is responsible for pursuing new opportunities and investigating new ideas to improve the chapter and positively impact the community. This also involves running New Initiatives meetings, where members of the chapter discuss ways we can improve Michigan Gamma. Recent topics of discussion include communication within the chapter and our chapter's image on campus.

Publicity

The Publicity Officer sends out the weekly announcements. Other responsibilities include managing the Facebook Instagram, Flickr, and Twitter pages, and designing posters and flyers for TBP events.

Membership

The Membership Officer has one of the most important roles for meetings: ordering food! Membership also keeps track of DA/PA status and their gifts, designing and ordering apparel, creating meeting sign-ins and managing the chapter's email lists.

Historian

Historian oversees compiling and publishing The Cornerstone for all meetings. In addition, the Historian also publishes the Alumni Newsletter for each month. This position is great for someone with a slightly creative side and who loves to write and edit. It is also a great way to become introduced to the officer corps.
