## Letter From the Historian

Welcome back, electees and actives!

I hope you all had a wonderful and restful Thanksgiving break and are now ready to get back into the grind to finish off the Fall 2025 semester. It's amazing to see how fast time has gone by now that Initiation is literally this Saturday. As a reminder, this event is mandatory for all electees to become initiated into the chapter, if you cannot make it please let your VP know ASAP.

At today's meeting we will be eating and judging your (hopefully) delicious pastries as well as listening to your lovely voices singing the parodies you have written. I hope you all have enjoyed the activities you have done in your electee groups and felt a great sense of community, as I know I did.

Nonetheless, this will be the last meeting of the semester and it was a pleasure to be your historian. The entire officer corps has enjoyed serving as your officers this semester and are looking forward to the future of our chapter. Good luck to all of you on your finals!

— David Lu

How to play: Have exactly one O in each row, column, and region. Use X to mark where Os cannot be placed. Two Os cannot touch each other, not even diagonally.

1. The more of me you take, the more you leave behind. What am I?
2. I have keys but no locks. I have space but no room. You can enter, but you can't go outside. What am I?
