## Letter from the Editor

Hi y'all!

Happy Tau Beta Pituesday! I hope you got some well-deserved rest this break, kept yourself healthy, and took full advantage of your civic duty to vote.

By the way, welcome to Day Two of the Officer Spotlights series! Team leads: nominate members of your electee team! Electee candidates: nominate your team leads! Each of you would make an outstanding officer, and we'd be honored to have you. If you don't agree, shoot me an email at [tbp.historian@umich.edu](mailto:tbp.historian@umich.edu) so I can tell you how great you are.

Blue Skies!  
Marianne

fit into cups.

Students coming home from their one class that day after a 9 day Spring Break

Take care of yourself! Just because you had 9 days off doesn't mean you don't deserve more rest!

**Mr. Brightside by The Killers:  
a 20-Second Chorus to Sing While  
You're Washing Your Hands**

Jealousy,  
turning saints into the sea  
Swimming through sick lullabies,  
choking on your alibis  
But it's just the price I pay,  
destiny is calling me  
Open up my eager eyes,  
'cause I'm Mr. Brightside

**Fun Fact!**

The Cornerstone's previous editor, Joshua Polzin, claimed *Mr. Brightside* as his favorite song. This one's for you, Josh!
