Letter From the Historian

Hello electees and actives!

Welcome to elections! If this is your first time, you're in for a treat. If this isn't your first time, hopefully we'll move along quicker, and the puzzles below will keep you occupied for a bit. Today's meeting is very important as we will be electing our officers for the next semester. Please make sure to sign in at tbpmig.org/signin so that we can maintain quorum, which is required for us to vote. Please remember to sign out as well when you leave, using the same link: tbpmig.org/signin.

Also, it is not too late to run for a position (especially ones that have no one running for them), so I would highly recommend that you run for one if you're interested. Descriptions of the open officer positions can be found below. Being an officer is a great opportunity to gain leadership experience and get the leadership credit required for DA/PA status, and it is also a great way to get more involved in the chapter.

Good luck to those of you who are running for positions, and I hope you all finish off the semester strong!

– David Lu

Officer Descriptions

The following positions are up for election:

President: The President's primary jobs are to supervise the other officers and to plan and conduct all officer, advisory board, and general meetings. The President is the facilitator; experience as a Tau Beta Pi officer is strongly recommended. The President also acts as the representative of the society in correspondence with other organizations (including serving as the official UMEC representative). The President gets to interact with many people on different levels. In addition the President is instrumental in setting the vision and goals of the chapter.

Vice President: The Vice-President oversees the electee process and acts as second-in-command to the President. The VP gets to know the electees better than anyone else. Knowledge of the electee process and internal workings of TBP is a big plus, and organizational and people skills are a must. The VP gets to meet and work with many new students.

Graduate Student Vice President: The Graduate Student Vice President runs the electee process for graduate students and organizes all graduate socials. This position is typically filled by a graduate student member.

Treasurer: The Treasurer is responsible for managing the Chapter's finances and day-to-day monetary transactions. The Treasurer is also the primary liaison between SOAS and TBP. This position requires excellent organizational and book-keeping skills and an interest in learning about the Chapters finances.

Service Coordinator: The Service Coordinator is in charge of overseeing all service projects done by the Chapter. They must communicate with the many project leaders to ensure the success of the events. The Service Coordinator should have an outstanding interest in community service and great organizational skills.

Activities Officer: The Activities Officer is responsible for the Chapters social events, including intersociety events, and the Initiation Banquet. This position is great for outgoing and creative personalities.

Professional Development Officer: The Professional Development Officer is the Chapter's liaison to the corporate world. This position involves interfacing with industry representatives and thus requires good organizational and people skills.

Campus Outreach Officer: The Campus Outreach Officer is in charge of Chapter efforts related to outreach on campus. This consists largely of tutoring, but new outreach programs that utilize our resources are also encouraged. The position requires interest in expanding and improving our academic presence on campus.

Chapter Development Officer: The Chapter Development Officer is responsible for identifying, developing, and implementing new ideas and improvements in almost any area of the Chapter. They help the Executive Committee with turning feedback and ideas into actionable items. The Chapter Development Officer oversees New Initiative meetings which serve as a forum for Chapter members to discuss ideas, suggestions, and concerns. This position requires initiative and creative thinking, and is perfect for someone who has a desire to impact the Chapter. Access to a car is helpful, and familiarity with chapter operations is a big plus.

Membership Officer: The membership chair is the counterpart to the VP for active members. Organizational skills are a must. This officer also is responsible for logistics for chapter general meetings. Access to a car is very valuable (borrow one or own one).

Publicity Officer: The Publicity officer is in charge of making sure everything TBP does is publicized to the appropriate audience.

Historian: The Historian is in charge of chapter publications including the Cornerstone, Alumni Newsletter, and website publications. The Historian is in charge of picture taking for the Chapter Survey and maintains chapter records, such as member demographics, as needed.
