Letter From the Historian

Hello Electees!

Welcome to the final general meeting of the Tau Beta Pi Winter 2025 semester! I want to personally congratulate you on your journey. In doing so, you have each done some amazing service to the community.

I hope you all had fun in the electing process and we are excited to have you back here as actives next semester.

Also, congratulations to all who ran for officer positions at Elections last Tuesday. If you still want to be involved in any sort of leadership opportunity but didn't become an officer, consider being a project lead or chair next semester.

Lastly, we want to thank you for contributing to another amazing semester of Tau Beta Pi. The W25 Officer Corps are not only proud but grateful to have had such great electees :)

Today, you will be participating with your electee team in the final electee team activity of the semester. All of you will be gathering with your teams to perform your electee team yell and show off what you have baked together!

PS: as a last reminder, sign up for Initiation if you haven't already. It's required to elect. (You should also sign up for Banquet, it's super fun).

- Jimmy, your W25 Historian
