Cub Scouts Day Volunteers Needed: Sunday 3/10 from 10am-5pm

This semester's Cub Scouts Day will be the second Sunday of Spring Break, March 10th. Cub Scouts Day allows local Cub Scouts to come to campus and earn their Engineering Adventure badge. We teach the scouts about material related to the practice of engineering in a fun environment through numerous activities, including an electronics module, a bridge module, a catapult module, and the most popular part: designing a landing craft for an egg drop. This event will fulfill the K-12 service hours requirement! If you have any problems with background checks or YPT, please email tbp.k12outreach@umich.edu

Undergraduate Research Symposium

- **Who:** Open to all undergraduates from all disciplines who are or have been involved in research at any stage (on-campus or off-campus).
- **What:** An opportunity for undergraduate researchers to showcase their work to peers and faculty members through poster presentations, attend workshops for writing abstracts (sign up: <http://bit.ly/2IIIma0>) and preparing posters (sign up: <http://bit.ly/2trr1S4>), and win travel awards that support costs associated with attending research conferences
- **When:** Friday, April 5th, 2019.
- **Where:** Chemistry Building Atrium on Central Campus.
- To officially **register** to present a poster at the symposium, please fill out the Google Form with your abstract by March 1st: <http://bit.ly/2NaJnzK>
Contact URS-Committee@umich.edu with questions.

TBP Photo Contest

Tau Beta Pi is having a photo contest, and you're invited to participate! Next time you're at a TBP event, take some pictures and pass them along to tbp.publicity@umich.edu. We'll be selecting winners for the best pictures in 3 categories: service events, social events, and professional development events. Each of the three winners will get a \$10 gift card to a popular Ann Arbor restaurant like Jerusalem Garden, NYPD, or Chela's.

Electees of the Week

Undergraduate:

Luke Knowles

“I am studying Civil Engineering with a focus in Construction Management and a minor in Energy Science and Policy. I was born in Kalamazoo, MI but currently live in Chapel Hill, NC. I enjoy backpacking/camping and spent the last two summers as a backpacking guide on the Appalachian Trail in Virginia.”

Graduate:

Sravan Pannala

Sravan Pannala is a Graduate Student Research Assistant in the Mechanical Engineering Department. His research is on Battery modelling and control and is currently working on fast charging applications. Sravan is also a huge sports fan and likes watching NBA games.
