Letter From the Historian

I'm happy to Welcome back all the Tau Bates, whether you choose to connect with us remotely or back in person this semester, I'm excited to see you all. This semester is going to be full of new opportunities and new challenges as we start to transition back towards what we used to know as normal, but still with many fantastic ways to connect online. But TBP is here with all the same exciting opportunities as always.

I'm Jacob, and I'll be your Historian for the semester, so I'll be writing up the Cornerstone for each meeting! If you ever want to see something added to the Cornerstone, you're always free to reach out to me at tbp.historian@umich.edu.
