# **The Cornerstone**

Volume 27, Issue 2

**September 7, 2021** 

### Letter From the Historian

Welcome prospective Tau Bates! I am happy to welcome you all to Tau Beta Pi and hope many of you choose to join our chapter. My name is Jacob and I'm your Historian for this semester, so I'll be writing an issue of the Cornerstone for each meeting. It will include some useful information for the meeting and the coming week, as well as whatever fun twist I feel like that week.

I want to take a moment to tell you, while the list of requirements your about to see for joining requirements may seem large, but it is quite manageable and the entire officer corps is here to help you!
