## The Cornerstone

## Letter From the Historian

Welcome to Third General Electees! Last meeting, you have met your electee team, and hopefully have begun to meet more with your team and getting to know each other! Today should be another great introduction, as you have to work together to win in today's contest: Jeopardy! (Tau Beta Pi themed)

Just another update, remember to sign up for various events on the TBP website, and get community service hours done as soon as you can! It is super helpful to get the electing requirements done as soon as possible, it can be hard to find enough events later in the semester if you have not been making good progress on your hours. Remember that you should get half of your hours (8) by March 21 (a month from now).

Hopefully midterm week is not too stressful, and make sure to enjoy spring break next week!

Good luck!
Alex de la Iglesia

- Maize and Blue Cupboard Distribution: 3/8 1:45pm - 4pm
- MindSET Boat Maker: 3/12 1pm - 4pm

## TBP: The Best Puzzles

How many words can you make using the center letter and the words surrounding it? Can you find the 10 letter word that uses each letter?

## One Minute Reads: Jeopardy!

- Since you are playing Jeopardy, you should first know something about it!
- Jeopardy was first debuted in 1964, but the version we know today aired in 1989, and is on its $39^{\text {th }}$ season.
- Ken Jennings had the longest win-streak of 74 games of Jeopardy, winning over $\$ 2.5$ million
