## Letter From the Historian

Welcome to November! I hope everyone is done with midterms and had a good Halloween. November is going to be a busy month for TBP, including MindSET, Merit Badge Day, Cub Scouts Day, New Initiatives III, and Elections. These are great opportunities to work with students on fun engineering challenges! This is also great news for electees, since you will need to complete 8 service hours by Third Actives (November 15<sup>th</sup>) and all 16 of them by Fifth General (December 6<sup>th</sup>). The requirements may seem like a lot, especially if you are juggling them with classes, group projects, and other extracurriculars, but just keep working hard and you will make it through the semester. Enjoy the updates from officers and an electee game of Jeopardy!

Go Blue!

## One Minute Reads

Today's One Minute Read is fun facts about Halloween! As always, if you have any ideas for the One Minute Reads, please fill out the form at [tbpmi.ga/cstone-contrib](http://tbpmi.ga/cstone-contrib). (Source: Wikipedia)

- Many Halloween traditions were influenced by Celtic harvest festivals, particularly the Gaelic festival Samhain.
- Dressing up in costumes and going "guising" was prevalent in Scotland and Ireland at Halloween by the late 19th century.
- On All Hallows' Eve, many Western Christian denominations encourage abstinence from meat, giving rise to a variety of vegetarian foods associated with this day.
