Dear Tau Bates,

I am very sad to inform you all that this is the final installment of the Cornerstone for this semester. I know, it's heartbreaking. What ever shall you do without a Cornerstone every week? Cry, yes, yes I know. Goodbye Cornerstone, we will see you again in the fall.

On that tearful note of goodbye, I would like to thank everyone who helped fill the pages of the Cornerstone this semester. The Cornerstone would not have been as full and successful without your time, effort, and help! To my faithful readers, it was a pleasure to be able to provide you with entertainment during meetings. I look forward to passing on the honor of being Historian to Stephanie, I'm sure she will do a great job next semester.

Finally, congratulations to all of the new officers, I look forward to working with you next semester. To the almost initiated electees, good luck, you're almost there, and get excited for initiation and banquet! To the seniors, congratulations on completing your journey here at UofM and with TBP. You will be missed here at MI-G! To everyone, good luck on the rest of the semester, good luck on exams, have an awesome summer, and I will see you again in the fall!

Your Historian,
Sylvia Domanico
