Letter from the Editor

Welcome to Third Actives!

I hope you have all gotten a chance to enjoy the nice weather over the last week or so! It surely will not last much longer. This time last year, snow was covering the ground in Ann Arbor. Admittedly, I really miss sliding up the hill as the bus passes Catherine street.

This is the fourth Third Actives meeting I have been to, and I am still not 100% sure what is supposed to be happening today. Are the electees becoming candidates? Or are the candidates for election officially becoming electees? If so, why have we been calling them electees till now? I suppose this might be the Historian's responsibility to understand... pay close attention and maybe you will learn a thing or two about Tau Beta Pi nomenclature!

If you have any suggestions, questions, or compliments, you can find me on Slack or email me at tbp.historian@umich.edu.

Go blue!
Andrew
